INDEPENDENT AUDITOR’S REPORT

To the Parliament of Western Australia

THE UNIVERSITY OF WESTERN AUSTRALIA

Report on the Financial Statements
I have audited the accounts and financial statements of The University of Western Australia.

The financial statements comprise the Statement of Financial Position as at 31 December 2015, the Income Statement, the Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows of the University and the consolidated entity for the year then ended, and Notes comprising a summary of significant accounting policies and other explanatory information.

University Senate’s Responsibility for the Financial Statements
The University Senate is responsible for keeping proper accounts, and the preparation and fair presentation of the financial statements in accordance with Australian Accounting Standards and the Treasurer’s Instructions, and for such internal control as the University Senate determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility
As required by the Auditor General Act 2006, my responsibility is to express an opinion on the financial statements based on my audit. The audit was conducted in accordance with Australian Auditing Standards. Those Standards require compliance with relevant ethical requirements relating to audit engagements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by the University Senate, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

In my opinion, the financial statements are based on proper accounts and present fairly, in all material respects, the financial position of The University of Western Australia and the consolidated entity at 31 December 2015 and their financial performance and cash flows for the year then ended.
